

## Sarah Ann Elizabeth Truman

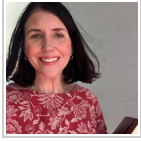

September 9, 1984 - September 25, 2023

Beloved daughter and sister Sarah Truman, age 39, found the burdens of this world to be too heavy to carry and could not find peace. She left us too soon on Monday, September 25, 2023.

Saying the right thing to someone struggling can be incredibly powerful. It can support, comfort, encourage and sometimes even save a life. Let's all remember to watch out for each other, lean on family and friends and provide support in any way.

"We're all mad here." When you hear this quote, it's usually in celebration of the total insanity that is human existence. Some folks say it in exasperation. Some folks say it in resignation. But in any case, Sarah loved this quote and acknowledged it as this crazy thing we call life. We won't forget the laughter and joyful moments we had together, and are grateful for having you in our life.
