“ *You know Heaven is having a party, with Uncle Yono playing the piano and my dad singing all the wrong words to the song. Rest in peace Uncle Yono we will see you there soon. Xoxo*

“ *Yono (Mr. Mocerì) was my baseball manager and a friend of the family. He will be always remembered as a straight forward person without holding back any punches.*

May God be with him and comfort his family's loss.

“ Yono was a family friend to my parents for many years. I was lucky to get to know him through many Nottingham club events. Yono attended my wedding and I remember several of my friends that did not know Yono, coming up and asking me who is that guy..... It was Yono. Apparently he made some new buddies that night all my friends thought that he was the best. Yono had a great time and I know, because I think everytime I saw him after that he told me. Great guy, I'm glad I have that memory.

“ The life of the party has left us. Whenever things would start to slow down Mr Zoomba Zoomba would start the song and the singing and dancing would resume. Barbara, you said it best when you said "the sensitivity that accompanied his rough edged personaliity". There was a very tender,warm and surprisingly gentle soul hiding behind the rough exterior. Yonno, you will be sorely missed, no party will ever be the same my friend.

“ *I will never forget all of the wonderful family gatherings we used to have. The dance lessons, the trips up north, the trip to Italy, the piano sessions when he would sit and play like a pro and had never taken a piano lesson in his life. The way he counted the tut ling (capaletti) in my soup to make sure I didn't have more than he had! The heated discussions about world affairs, when I used to worry that his blood pressure would go sky high! The way he and the other guys would cheat at charades against the girls up north. The energy and hard work that he thrived on. The way he ran circles around guys half his age. The sensitivity that accompanied his rough edged personality. You will be missed Yono. I know you are in a better place and we will all be together again one day. Love, Barbara DiMaggio*

I remember him singing this when I was a little girl. He was so talented. He will be dearly missed. Heaven gained an angel!

“ *The God (Jehovah) of all comfort can give us the strength needed to endure the pain that comes from the death of your loved one Sebastian Mocerri. The bible describes death as an enemy. Our grand creator plans to undo the tragic effects of death at John 5:28-29. Isaiah 41:10 & 13 tells us to grasp the right hand of God never let him go. He will get you up when you feel you can't.*
