

Seth Michael Henry(Amanda)

October 9, 1987 - July 29, 2018

Seth Michael Henry (born Amanda Henry) passed away on July 29, 2018, at the age of 30. Loving son of Mary Henry. Loving nephew of Catherine (Jan Frandsen) Henry. Beloved grandson of the late Robert and Dorothy Henry.

Seth was first diagnosed with acute lymphoblastic leukemia (ALL) at the age of 19. He survived intense treatment and was in remission for 11 years and 3 months. The ALL relapsed in March. He died of complications of chemotherapy at Karmanos Cancer Institute in Detroit, 120 days after he was diagnosed, spending most of that time in the hospital. Through it all, he remained true to himself and who he was.

While he spent much of his adult life either battling cancer or dealing with its complications, he never lost his wicked sense of humor or his amazing use of sarcasm. He always had a smile on his face even when he was feeling horrible. He was a master Shiny Pokemon Hunter, enthusiastic gamer, and voracious reader. Most importantly, though, he was an amazing guy and an incredible friend to many people. He leaves behind his mom, Mary, and his dog, Braxton, along with his Aunt Cathy, Uncle Jan, and many friends.

A celebration of Seth's life will take place on Sunday, August 12 at 1pm at 45301 Chateau Thierry Blvd., Macomb, MI. Please contact family if you plan to attend.

Donations are being accepted at <https://www.gofundme.com/honoring-seth>
and in his honor at the Leukemia and Lymphoma Society <https://donate.lls.org/lls/donate>

“ So very sorry about the death of your dear Son. May all your cherished memories of him, help you through this difficult time. Even the Bible refers to death as our enemy (1 Corinthians 15:26). It surely it! Please find comfort in the love and support of family, friends and the beautiful promise at Revelation 21:4,5.
