“ *I have been a livrsry patron since 2007 and currently serve on the library board.*

It was a joy to watch Shane expand his skill set and advance in his career at the library over the years.

He was always incredibly helpful and didn't mind answering all my questions when I was trying to understand changes to Sirsi/Polaris and the Libraries app.

One day he explained the process behind both the MEL and SLC interlibrary loan systems, simply because I wanted to know how it all worked and found it fascinating. (Hint: don't feel bad placing a ton of holds, even through MEL, because the trucks are making the rounds between libraries regardless.)

My thoughts and prayers are with his family, friends, co-workers, and fellow Anchor Bay Artists.

“ *Shane was an incredible musician and person. I'm shocked and deeply saddened to hear of his passing. My heart breaks for his family.*

I will always be inspired by Shane's example as a musician and person. He taught me a great deal, through music, without words, since I was a child, even, as an adult as well. That will be with me always. I will always celebrate his memory. Shane Stewart, the heaviest bassist of all time. A legend to all who knew him, truly. Rest in peace, my friend!
