“ Dear Mom, you will always be the brightest ray of sunshine in my life and now you are my guardian angel. God seen you were tired and he only takes the best. Please give my grandparents hugs and tell them I miss them all.

You were such an amazing woman and everyone that knew you, loved you. I was the luckiest one to be able to call you Mom. You were the rock that kept our family together and you will be missed by all of us. I don't know how or what the future holds but I Pray that I can lead by your example of what a good person is. Thank you for being my Mom and for the love you showed me. I know you worried about Dad and after 54 years I understand but we will be there for him and take it from here. I will wait to see you in my dreams.
All my love and hugs, Stacy
