“ *Aunt Sharon was a loving Aunt who made me feel special whenever I would go visit her. The earliest memory I have was when my family would go visit and us kids would all go into her candy room and we could take whatever candy we wanted out of her drawers. For 35 years I had a Father's Day party at my house she always brought a lot of food she was a really good cook. She loved her collection of thimbles and now I have a memory from her she gave me some a year ago. I will cherish those forever. You will be missed Aunt Sharon but you will never be forgotten and we all love you*

“ *Dave and Margie,
I am so very sorry for your loss. I first met Sharon working with Margie to raise money for the Blue Water Humane Society. She was a sweet, hardworking, and kind lady; she was always there working with a smile. She will be missed.
May her soul and all of the souls of the faithful departed rest in peace Amen.

“ I have so many wonderful Memories with Aunt Sharon, but here's a few that stand out! As far back as I can remember Aunt Sharon & Uncle David always Visited us in FL over the Summer. While visiting we went to many theme Parks, to the beach, shopping & had many Fish Fry's-her favorite! Every time she came to FL she would bring some of her hand crocheted throws, kitchen towels, dish clothes and hats in all colors. I still have all of mine & will Cherish them forever. Every time I'd see or talk to her on the Phone she called me Baby Cakes, it was a Nikname she gave me when I was young. Near the end when I would talk to her and didn't think she remembered me, she would surprise me and call me Baby Cakes & truly warmed my Heart ❤️ She was a very Special Aunt and will be dearly missed 🙏 RIP Aunt Sharon, I Love You 💔

“ Aunt Sharon will be sorely missed. When ever she came over she almost always showed up with some sort of baked good or something. I'm glad I got to spend some time with her last week.

“ Aunt Sharon was always kind and gave a lot of love our way. I was just a great-niece, but she still thought of me and made me things, even in my thirties! Looking back, she got a lot of joy taking us to the penny candy store in town. Those are great childhood memories. I'm sorry I can't be there this week. Sending love to Uncle David and family. -Beth Holmes-Bozung

I worked part-time for Sharon at the Big Boy as a cook. However, she allowed me to do many other chores other than cooking. I.e., cleaning the walk-in cooler and washing windows on a nice day. One memory that stands out is when a customer was eating his salad and found a wad of bubblegum in his salad. (We had a red-headed young man who had kitchen duties, which also included making salads) Sharon immediately apologized and told the customer she would make his salad at no charge. As I got older and was responsible for others, I realized she was a great manager! She also sent a \$2.00 bill to our son on his birthday and Christmas every year until he turned 18. Rest in Peace Sharon
