“ Sharon dedicated her life to creating awareness for the scleroderma community. Her efforts spanned over many years and touched countless lives. She served on the board of directors of the Scleroderma Foundation, on committees and even co-hosted a walk in the Downriver community in the summer of 2015. Her goal was to share her personal journey with scleroderma with those she met in an effort to educate others about the disease. Rarely did you see her where she was not wearing a scleroderma shirt, jacket or item. Her advocacy efforts helped to raise funds for the three-fold mission of the Chapter. She served as a support group leader and helped so many patients learn how to cope with the disease. She was a brave and courageous woman who had one desire, to educate the world about a disease that lacked awareness. She wanted a cure for scleroderma so that no one else had to suffer like she did. The Scleroderma Foundation will continue to work every day in her name knowing that she is watching over us and helping to guide our efforts with that bright smile she possessed. We will not stop creating awareness, educating the community, and raising funds. We owe that to Sharon, to the Noechel family and to every scleroderma patient. Rest in peace Sharon knowing everything you did for our Chapter was appreciated and valued and you were loved. You were a hero and a friend to so many to me. You will be missed.

*Sharon contacted all of us girls and set up a luncheon for us at the Masters, this past summer. Some of us had not seen each other since high school. I think we talked for three wonderful hours. I think the restaurant thought we were going to spend the night too! We loved it, we loved Sharon and will miss her so much.*

*Rest in peace dear one. We will always remember all the fun we had last fall up in harbour beach on the hay ride, and cruising down the Detroit river a few years ago in your honor on that boat But most of all the fun we had at Wally's. “ To the Noechel family,  
I am very fortunate to be part of the Noechel family, thanks to my son-in-law, John to fall in love with my daughter. Sharon included me in all the family functions including holidays and even treated me with a trip to Florida! She was a kind, generous, caring person that I will miss every day. Until we meet again, Sharon. Rest in peace.

Love,  
Marie
