“ I just looked at all 245 photos and can't deny auntie Sherry had one of the brightest and most beautiful smiles that lights you up. She looked at you and personally gave you her smile - just to you- in that moment. That is what I will miss most. I am sorry I will not be there with all of my family but I will be taking time here in Arizona at the time you will all be saying goodbye to remember my dear auntie. She is with Jesus. God bless all my cousins and uncle Larry. Love to you all! XOXOXO

“ Sherry was beautiful inside and out. She truly lived her faith. I worked with her at the dental office. She always had a warm smile and welcoming spirit to the patients and staff. The many lunches she she brought in were always much appreciated and delicious. She will be missed by everyone who had the pleasure of knowing her.

“ I had the great blessing to work with Sherry in my dental practice. First with Dick, and later with Mark. Sherry was just a joy to be around, to work with, and to count as a friend. I'm not sure I have ever met a kinder, gentler soul than Sherry. She will be sorely missed.

“ Sherry and Larry have been our best friends for over 60 years, they introduced me to my wife at their wedding that we both stood up in. Carol my wife and Sherry were best friends in high school, Sherry was like a member of our family, we even moved up to Port Austin and had many great times with them. Sherry was sweetest person you could ever meet, always had a great smile. Our hearts are broken by her passing but one day we will meet again. We will truly miss her

Tom & I are so deeply saddened by Sherry passing. We may not have seen one another often these passed years but, talking with Sherry or Larry, you always felt like no time had passed. Our hearts go out to you Larry, your children, grandchildren and the extended members of the family! With love and sympathy. Tom & Sue Taormina

“ I was fortunate enough to cross paths with Sherry through one of her children and had the opportunity to have her as an important part of my life for nearly two years. Sherry was the best grandmother, mother, homemaker, wife, and friend. Whenever she made her famous snicker doodle cookies for her grandchildren, she would make sure to save some for the mail carrier. Sherry somehow managed to keep her houses sparkling clean while raising four incredible successful kids. Sherry made cooking meals for her family look effortless when it was a very time-consuming task. It takes a lot of understanding, patience, and forgiveness to stay married to someone, and she somehow managed to do it for nearly 60 years. When I was going through a rough patch in my life, she lent me her shoulder to cry on. Since I became a wife and mother, I admired her even more. Sherry, I would say, “rest in peace” but knowing you, you would start cleaning up heaven as soon as you get there. Thank you for being a positive impact in my life. I love you. I’ll miss you greatly.

“ *Larry and Sherrie were our Port Austin next-door neighbors and friends for over 40 years. Over three generations we watched each other's kids grow up and then in turn their children. There was a 14-year gap in age but we always had common ground to share conversations. Sherrie sent Cindy and me anniversary cards for more years than I can remember serving as a reminder several times when we forgot. Sherrie also looked in on my Mom and Wil. She was a warm, fun and caring person that we already miss.*
