“ Shawn was a great human being. I remember playing on his drums often when we attended some open-jam nights at TNTs back in the early 00s. It was awesome talking to him and great to watch his unique and flashy style of drumming. Thank you, Shawn for your entertainment and camaraderie. You will be missed. Even though I haven't seen you in quite some time, I feel an emptiness in my heart. My thoughts and prayers are with you and your family.

Sincerely,
