

## Sheila R. Jones

December 24, 1946 - May 3, 2018

Sheila R. Jones passed away at the age of 71, on May 3, 2018 at William Beaumont Hospital in Troy. She was born on December 24, 1946 to Harold and Rose (McGaughey) Anger in Highland Park. Beloved wife of 51 loving years to Richard.

Loving mother of Karie Jones and Marc (Rebecca) Jones. Loving and proud grandmother of Max, Sally, Cooper and the late Samuel Jones. Dear sister of the late Raymond (Laurie) Anger and George (Sheila) Amburgey. Sheila became very involved with DIPG research because her grandson, Sammy, was only 5 years old when he lost his battle with a brain tumor known as DIPG. Sheila began dedicating her life in finding a cure for this terrible disease by raising funds for research. She also donated to St. Jude and Make A Wish Foundation. Her passion in life was spending time with her family. Sheila's request is to make a memorial donations to DIPG, The Cure Starts now, in lieu of floral arrangements. “ As a fellow member of the horrible "club" of grandmothers of a child stolen by dipg, I always enjoyed reading posts by Sammy's Grammie. She was such a strong advocate for the children afflicted by this killer and their families....and an amazing warrior in the fight to save others by finding a cure. May she live long in the memory of loved ones and strangers like me. Mary Scharrenberg (Jennifer's "Coco")

“ *Sheila and I have been friends for several years, first introduced to each other by Becky. We lived only miles apart, but never met until we were both just in the hospital this past week. I saw her on Thursday as I was being released - we talked for several minutes and promised to recuperate together. She texted me about 7pm to make sure I'd gotten home ok. She was a wonderful friend.*
