“ At this time of need may Jehovah, the God of all comfort be with the family. Psalms 147 : 3 says " He heals the brokenhearted; He binds up their wounds " I hope these words bring peace to your hearts.

“ It has been a pleasure working with Sheri. I was amazed by her
ability to calm a room of students. She will forever be remembered
as a devoted and loving professional who worked hard to insure that
students-especially the students who required specialized
instruction, had access to the curriculum at OSTC-SE. Her light will
of kindness will continue to shine brightly.

I'm going to miss our morning and afternoon and in between chats at
OSTC-SE front office, your bright cheerful smile and great sense of
humor. I know you'll be looking down and laughing at those silly kids,
you will be missed by so many. Peace be with you.

Sheri was such an inspiration to me. She picked up me when I was at a very low time in my life. This news breaks my heart. She taught so much about life, love, health, and by far always had the BEST recipes. I can only pray that I continue to cook/bake half as well as she taught me. Sheri I love you so much and will carry a heavy heart for the rest of my life. Thank you for being there for me and making me who I am today. Until we meet again Jamie Lee Curtis ;)

“ I first met Sheri when we were at Kramer Elementary. She was in the same class as my sister, Marsha. Vicki was a year younger than me. We played together after school. I remember their Mom being a lunch Mom at Kramer. It makes me sad that Sheri is gone. Gone too soon. Prayers for her family.

“ Sheri Stilwell was such a gracious person. Those of us at Van Dyke were so fortunate to have her in our lives. Those of us who were close friends will miss her almost as much as her family. Her special lunches brought emotional as well as physical pleasure. Our long talks have been on my mind almost constantly since the sad news was shared last night. She was so special that she will forever be in our hearts and thoughts. This was much too soon to lose such a precious lady.

“ I first met Sheri and her sister Vicki at Kennedy Elem. (many moons ago) volunteering for the Christmas sale for the kids. Heidi I think is a year a head of my Danny and ever since that moment I found we had so much more in common. I went to school with Pete and other family members, worked for the credit union and met even more family there, then worked with Sheri at LHS for many years. When I found out JoAnne was Sheri's mom, it made it even better :) Once Sheri and I had a good laugh about that, JoAnne refers to me as 'Sammi' and I loved that! Sheri was a wonderful person and will be missed, gone way to soon.
