“ Sherry was one of the nicest and kindest individuals you could ever hope to meet. Her positive personality was infectious and she was always a pleasure to be around. She also helped the board around our subdivision doing anything she could to make things better for our association. Sherry will be greatly missed and will reserve a special place inside all of us that were lucky enough to have called her our friend. My thoughts and prayers are with your family during this most difficult time.

“ I worked with Sherry at Farmer Jack and one thing I always admired about her was her constant smile. She was one of the nicest people I have ever met. Small world - when we found out her sister Dana was married to my father-in-law. Now both Sherry and Dana are together once again, in Heaven as angels watching over. My husband and I wish to express our sincere sympathy to the Shaheen family. Sherry will be greatly missed by all.##imported-begin##Terri Gates##imported-end##

“ Please accept my deepest sympathy. I used to work with Sherry at Farmer Jack and I live on Calahan across from Mark Twain school. I would see Sherry in the neighborhood once in a while. Sherry was truly a special person. Sherry and I shared the same work ethic and views on many topics. She always was a happy individual and never seemed to let things bother her. I'm sure her family will miss her very much. Try to remember her smiles and positive attitude. My prayers are with you all.##imported-begin##Ray Sharer##imported-end##

“ *Aunt Sherry, You were taken way too soon and you will be greatly missed. You did me the greatest favor of all and I have not forgotten that. Now we only have our memories of you to keep us strong. Cassidy and Jenny will miss you and your popcorn you would make for us when we visited and the raspberries we would pick together. Those are the memories that we will hold dear and we won't forget. I am grateful for the years that we did have together and again I thank you. Till we meet again.....*###imported-begin###*Kristi*###imported-end###

“ My sincerest condolences on your loss. I grew up on Hickory street with Shawn and David. Mrs. Shaheen was so nice to me and let me come over a lot to play GI Joes, Star Wars, etc. The love that she had for her kids was evident to me even at a young age. Again, I am so sorry for your loss.##imported-begin##Larry Skrzypczak##imported-end##
