“ Shirlee,

You probably didn't know this but I was always very fond of you. I loved your spirit for life and adventure. Even though we didn't see each other very often I was always grateful when we did and looked forward to the next family function to reconnect again. I will never forget that you were willing to come to my wedding in Tennessee and participate as a reader, that really meant a lot to me. Thank you! I know that you are with God now and are at peace. I will pray for you and all of your family. I hope you will pray for my family and me also. I love you Shirlee, thank you for the moments we shared.

God Bless you!

Love,
