“ We will miss you, Shirley! I am so glad that you really enjoyed our neighborhood. We always knew that you would be at our many events with a smile on your face and a kind word for everyone. I was always impressed that you were at daily water aerobics well into your 80s! And you so enjoyed the birthday drive by on your 90th!

“ Did not know her very long, or very well, but she was always cheerful and would wave at us and chitchat when we would walk by her home. May you rest in Gods arms.

Enjoyed the nice chats we had as Shirley sat on her porch. Glad I was able to drive her home after she enjoyed last summer's Music in the Park. Rest in Peace, Shirley.
