“ Shirley was like a 2nd Mom to me while I lived with her in Florida. She will forever have a special place in my heart and I can't wait for the day I can see her again and tell her myself! I was so lucky to have the chance to go with her to Bingo, and the Mall, and to the pool at Lunetta's. She even tried to teach me how to drive in her Jeep Cherokee! We went zipping around the neighborhood with her screaming out the window for me to slow down lol. We went for sandwiches, and potato cheese soup and anything else that sparked our appetite. We layed out by the pool, and we decorated the house with lights and a plastic Santa for Christmas. She was a hoot to be around and we laughed together and had alot of fun! She was a great friend and I cherish the memories I was able to make with her. I love you Shirl and I am proud to have known you.
