Tribute Wall

“  Aunt Shirley, what a legacy you leave behind. Your presence alone commanded the attention of a room. You were a Fuson matriarch and will leave behind a space that only you could fill. You influenced me in more ways than you knew.

 In my memories you will always be my strong, witty, feisty, caring, loving Aunt.

Say hello to my sister and grandma and know that we will see each other again

“ Dear Grandma,

I know it has only been a few weeks since you left us. Not one day has gone by that I have not thought about you. I often laugh when I think of some of the great memories we made, especially during holiday get togethers. Special events will not be the same. I will miss hearing you call out "Hey big boy" when I walked in. I will miss laughing and sharing jokes. I look forward to the day when we can sit down again and catch up. I love you.
