“ Well Shirl tell all my crew "hello". We couldn't have had better neighbors, than y'all! I will never forget all the times we had met you for lunch at Hudson's. Mom, Judy and myself along with our 2 rugrats. Something we all looked forward to. You would always find time to meet with us, even if you got busy. Just looking at your pic as I am typing this, I see the beautiful smile you always had. :) You will be missed, but the memories will always live in me!! Love you!!

“ Thoughts and prayers are with the family and friends of Shirley. What an incredible woman she was. Although I only knew her for a short time, I'm honored and blessed that I was given the opportunity to have met her and provide care for her. She's a true example of a fighter. My condolences are with each and every one of you who has been touched by this beautiful woman!

Regards,
