“ *Shirley, she was a breath of fresh air, so kind and approachable. She spread so much joy everywhere she went. She was loved by everyone who knew her. My life was enriched because I got to know this extraordinary lady. She gave me great advice when I needed it. She gave me comfort when I lost my husband to cancer. She was someone who really truly cared. I loved her and I will treasure those times we shared. The Lord has another beautiful angel in Heaven. May she Rest In Peace. With Deepest Sympathy to the Shroud Family, Carol Vendittelli*

“ When I was hosting an anniversary party for my in-laws many, many years ago you gave me a chicken recipe that was sure to be a crowd pleaser. It was and I still make it for company all these years later. It is in my recipe collection, titled "Shirley Schroudt's chicken". I have passed the recipe on to countless friends and family. You will never be forgotten! You certainly will be missed by your "Shaklee family". We were blessed to know you. Marie and Larry Grabowski

“ I will always remember our visits to Michigan to see Aunt Shirley and Uncle Dick- we always felt like we were the only nieces they had. Playing in the beauty parlor, "selling" vitamins in the basement store, going into Ann Arbor for the art fair. Loved our road trips for the visits. We would wait all day in the driveway for them when we learned they were coming to visit us. Love you all so much. ❤️❤️❤️
