

Shirley A. Tomayko

March 5, 1938 - June 10, 2015

Shirley A. Tomayko passed away on June 10, 2015, at the age of 77, in Shelby Township. She was born on March 5, 1938 to Laverne and Linda Tenniswood in Yale.

She graduated Rochester High School. Shirley worked as a flight attendant before becoming a dedicated, loving mother of 4 children. She worked for the Utica Community Schools while raising her family. As the children got older, she went back to work with her husband Ron at the Five Star Industries which they opened in 1981. Simply put, Shirley was the nicest person in the world. She was a loving wife, mother, grandmother and great grandmother. She lived for her family. Her whole world was her family. She loved her husband of 58 years, Ron Tomayko.

They have 4 beautiful kids, Gail, Gwen, Ron, & Randy who have stayed close to her for her whole life. She was always active as a mother & grandmother who was

always helping out! She was the most generous person I know. She was known by her grandchildren as "grandma spoils". She loved going to Canada at Ipperwash Beach where they have a big cottage with room for everyone. They have had 2 different places for about 35 years. Through the last 17 years, the place was right on the water. What a

legacy and life they have given us providing a family business for her boys

to take over with her husband and the cottage in the summers for all of her children and their families. Anyway, the beach house on the water was her second love to Ron and her family. Following these would be sweets, and then of course Bingo.

Donations in lieu of flowers may be made to the Humane Society of Macomb County at 11350 22 Mile Road.

“ *Shirley was my teacher aid. Her secretarial skills were truly incredible and her people skills were equally as impressive. She was outstanding with the students and they loved her as much as I did. She was truly an exceptional person on all levels.*
