“ We were so sorry to hear about Shirley.

*I knew her since I was a little girl, my Mom & Dad (Don and Marge Roussin) were very good friends with Frank & Shirley, so I got to know Alan and Tommy when I was very young! and I had a younger brother Rick who got to know the family well also, I saw Shirley a few months ago, and she was asking about him and she remembered me when she saw me, because it had been a long time since I had seen her, and she was just as cute as always !! Then the twins Carol&Cathy were born and I liked going over there to see them, she will be missed very much

“ *Our condolences and heartfelt sympathy go out to all of Grandma Wojie's family, included the countless members of the extended family that shared time with her throughout the years. She will always be alive [and rather feisty] in the hearts and memories of those who knew her. It will be nice to imagine her and Grandpa Wojie dancing to Brenda Lee's "Rockin' Around the Christmas Tree" this holiday season, for the first time in many years.*

Love,

Alan, Pat, Robby, Angie, Olivia and Victoria.##imported-begin##Robert Wojie##imported-end##

“ Dear Cathy,

I didn't know your mother very well, but the memories she left behind were:

When see was with us she always had a smile on face. She always had something funny to say or do. She could keep up with the best of the group. She never wanted to be left out of any get togethers and the most important thing... she loved life.

She will be truely missed.

“ *It breaks our hearts that she is gone but knowing that your Mom is together with your Dad after all these years brings comfort. May all the treasured memories you shared through the years console you in the difficult times ahead.*

She truly was a wonderful woman to all of us and we are certainly better for having her in our lives. No matter what you called her ... Shirl, Shirley, Squirl, BoBurl or whatever, she was definitely loved.

Whatever made Dolly and JW move next door to Shirley and Frank in 1955 was a blessing because it didn't just make us neighbors or just friends, it made us family. We consider ourselves very fortunate to have you in our lives.

Though she has physically left us, she has already begun to make her presence known by shutting off the power in Capac and Macomb Friday night to the beautiful rainbow Saturday over Saint Clair Shores. It is a blessing to know that she is with your Dad happy and watching over you all (and hopefully us too).

*Love,
xoxo*
