“ Wow you were a fighter, one of the most kindness person i got to meet, my heart aches because i just found out today of this news, we lost an incredible person, you never talk bad about anyone including me, you didn't have a mean bone in your body, or a duty mouth, there is no adequate word to say to Cherylin and Al how sorry I'm, but rest assure that Shirley is Resting Easy in the arms of our creator. RIP Mrs Shirley J Zanley, till we meet again.

“ You were my aunt thru marriage for 12yrs but I still considered you my aunt for the past 11yrs after that. I will miss you very much. You have always been a sweet person and even though I haven't seen you much in the past yrs we have still talked here n there n I will miss talking to u. As hard as it is for everyone that you are no longer with us I am happy that you are no longer in pain and no longer suffering from ur pain. I hope you are finding peace with your beloved doggy watching down on your special family. We all love you very much n will miss u dearly.

“ My mom was the kindest person you would ever meet. She had so much she had to go through in her life and did it without a bad word ever. I will miss her and think about her every second of my life but I can't be selfish and want to keep her here anymore. She fought long and hard but enough was enough. I love you mom more than you will ever know and it hurts so bad right now but I promise to be there and help dad because he really needs it now too. Until I see you again, I love you mama
