“ To the family of Silvio Lanza. My name is Ross Buffa. I heard of Silvio's passing from Bob Rossi a family friend of yours. I used to work with a wonderful man named Silvio Lanza. We worked together for a few years at the Victorian Room. Rosita, myself, Josie Knapp and Karen were there in 1988-1990. I was a young waiter learning the business from Tony and Silvio. I always remember Silvio's customers coming in and asking for his wonderful service. I must say I learned a great deal from him. He always had a warm smile and kind words. He was certainly a role model to me in the business. After leaving Tony I went to work for Frank Trucano at Mlrage as there Maitr'd for 13 years. It was there I last saw Silvi and Rosita at a family wedding. My thoughts and prayers to you and your family at this most difficult time. If I could share something with you about Silvio it would be that he touched many lives and always brought a great deal of happiness to them by bringing them the best food and great service. I remember something that Rosita told me as well and that was I should marry an Italian girl. Well I have been dating Barb Rossi for 3 years she and her father Bob and sister Debbie and brother Joe offer their thoughts and prayers with you at this time as well. Our friend Silvio will be missed greatly but he will always be remembered and I am grateful of the time we worked together... Love Ross Buffa.
