“ I am thankful in being born in an era when family was the Sunday recreation and knowledge of my extended family was automatic.

I liked knowing at an early age that her status with me was a Grand Aunt and a grand woman she always remained.

Grand Aunt Sophie my thoughts and prayers will be upon your family.

May the angels welcome you to Paradise, may the martyrs greet you on your way. May you see the Face of God this day. Alleluia! Alleluia!

My Dear Grand Aunt Sophie was the epitome of family that had traditions that weren't susceptible to waning in later years.

My dear Chris everything that was your Mother was you. This is said being 'the ultimate compliment.'

My cousin Jim you have helped and enabled Chris to give back to her Ma.

Surely she thanks you but so do I for I have been Blessed to have the opportunity to receive this gift from my parents in their last years.

I notice now that her nephew(my Pa) was born on her 10th birthday and since her family was well knit within each unit I'm sure she took great pleasure in this Birthday nephew's birth.

I believe she will be in contact with all who went before her.

Your Dear Grand Niece Rosemarie will light a candle in my absence to lead and honor you on your way.

With Love and great respect of this grandwomen.##imported-begin##Rosemarie (Cejmer) Geci##imported-end##

“ 39 years ago we met Jim & Christina Budzynowski. As our children and theirs were growing up, we all became good friends. Julie and Lyn are still best friends since Kindergarten. We all knew Sophie very well. She was a great "grandma" to our children. We loved her dearly and considered her our "other mother"... She would cradle my head with her hands and tell me she loved me and gave me a kiss and always told me that I smelled very good. We certainly will miss her !!
May God Bless her and all of her family.##imported-begin##Art & Mary Lou Norkiewicz##imported-end##
