“ So sorry I am so late with this, especially after finding of his passing earlier this year.

Stan and I worked together for Chrysler in Highland Park until I left there in 1980. Often driving to work together with Walt Yosin when I lived in SCS.

He was a jokster to say the least. He also would work on my car at times when service was needed either at his house in East Detroit or the Service Station he also worked at.

There are many stories from that era in the '70's that we shared, some more humorous than others.

I last spoke to Stan in 1997 by phone after he retired and i had contracted back into Chryslers in Auburn Hills.

I will always remember his smile and laugh.

I still have a plant he had given me. Much like my memories, it has lasted all these years.

“ *He was the best uncle always there for my family! My favorite memories are at any family party or gathering! He always told the best stories! He always was getting us to smile. He loved his family dearly. He loved my kids so much his great niece and nephew every party I had for my kids he always wanted to be there. It didn't matter that it was at loud game place with crazy kids. He always enjoyed seeing them. Always telling them to give him five and then teasing them. We will all miss him and fun personality so much!*
