“ *Dear Gloria and family,  
My heartfelt sympathy goes out to you and your family. Stan was such a kind caring, gentlemen. Wherever I came over I would always say, "Stan you are such a handsome, wonderful man, if you were only a few years younger I could really go for you"! He would always smile and blush. Gloria you and your kids did everthing in your power to make you dads life easier for him. Caring for him like you did was unbelievable. You put your lives on hold for him. You are an awesome family and I am so glad that I am your friend. Hold on to the memories. They will keep you going. Love you,  
Sue.##imported-begin##Sue Loffreda##imported-end##*

“ Dad I know your in heaven with mom. Thank you for always being there for me even up until the end when you were so weak and were afraid to let go because you felt bad to leave me. I will never forget our talks and the times that you, Joe and I spent watching the Tigers and how you would light up when they were winning and go to bed when they were losing I will keep the memories of you deep in my heart. It was a nonor to have taken care of you. Please mom and Jamie a kiss for me and give Joe my love and tell him I miss him. Take care of eachother. Til we meet again . . . know that I love you with all my heart. You were the best dad I could ask for. I love you. Gloria###imported-begin###gloria stabryla###imported-end##
