“ *Cuz, Cuz, the memories we share are unbelievable. Growing up together and reaching our "senior" years together. From Nett to Mt Clemens, Young street and all the places after. The ball playing, fishing (remember how much we enjoyed that), partying, golfing or just our little chats about everything and "anybody". I cannot remember anytime when I did not enjoy you. Gonna miss you, save me seat at the local bar or on the golf cart next to you. Jim*
