“ To my Aunt Virginia and my cousins Sharon, Barbara, Michael, Kathy, Todd and their families our deepest sympathies for the loss of my Uncle Stan. I have very fond memories of him but the one that sticks out the most is our annual trips to each others houses to watch *The Wizard of Oz*. What a treat that was for us to eat potato chips and pop and watch that classic movie. And, even though we were not my dad's biological children Uncle Stan and Aunt Virginia treated us like we were born into their family and for this I will always be grateful to them.##imported-begin##Renee (Bernie) Diroff##imported-end##

“ Imagine my surprise when I opened this page and found these wonderful pictures; Stan would have appreciated them. To everyone, Virg, (Mom), Sharon, Al, Barb, Ted, Mike, Denise, Todd, Jennie, Kathy, Chris and all the grandchildren my sincere sympathy goes out to each and every one of you. The boys and men in this family were especially blessed to have a man like Stan (Stosh) to look up to in their lives. What a mentor. He had a wonderful relationship with nature and animals (esp those damn chickens, right Virg?) and shared it with both his sons, son in laws and grandchildren (even my brother in law Dave who lived with him for a time and came to respect him as well as my nephew Gene who was on Harsen's Island a few times and enjoyed fishing with him). He was able to do what he wanted and move up north at 73 yrs. old, what an awesome achievement! Although he was a man of few words with me as I was growing up with all of you I came to appreciate his "quirkiness" (we've all had a few laughs with his antics) and respected him a great deal. To his children: Your Mother and Father raised exceptionally strong, caring, intelligent individuals ; your Father will continue to be proud of you from his side of eternity. Love to all of you from the bottom of my heart.
