“ One of my first memories is of me dancing with you. Me standing on your shoes as you danced more like it. I was so happy standing on your feet feeling like I was on top of the world. I also remember when Grandma and Mom went to work and you stayed home watching me, cooking hot dogs because Grandma wasn't there to cook and that is all you knew I would like.

You were not only my Grandfather but you were my teacher, mentor, and most of all the only Father in my life. You taught me so much over the years, and I will be forever grateful.

I love you with all of my heart Papa. You always were the best man!###imported-begin###Amy###imported-end###
