“ Dearest friends,

It has been a long time but we are truly saddened to hear of Stefan's passing. There are many fond memories of visits and playing together with Paul as children. With my mother's passing, contact was lost. Please know that Stefan and your entire family are in our thoughts and prayers.

*Sincerely,
Frank Grzybek & family*

“ My Dear Wuja,

I heard a lot about you before we finally met in 1990 in Poland. We spend wonderful time visiting relatives and sightseeing and talking about past, present and future. Your life experience was fascinating. You saw a possibility of better life for me and offered to come to the United States.

Since my arrival you always had been my best support and my guardian angel. You were always there for me in good and bad times.

You were the first one to teach me how to drive and polish my English. You did not mind driving me to my first job. Your advice was always simple and valuable. From you I learned how to put wallpaper, fix a lot of stuff in the car, around the house. You were with me for the Oath taking, my wedding and any big and small family event. You always loved to spent time with kids.

You had been proud of your Polish heritage and a good citizen. Your speech during my residency graduation about life values was acknowledged and remembered by my colleagues. One of the last things you taught me how to help puppy sleep at night.

You had a big heart, which had place for everybody. You always cared for your family here and overseas. You loved life and lived it to full extend. You passed your energy to anybody who was around you. You loved people and people loved you.

Rest in peace. We will miss you.

Your nephew Oleh Bolukh and family.

“ Steve was such a kind soul and a very good friend and next door neighbor to our deceased father and mother, Bob and Jackie Simpson. His kind and easy going manner made him instantly likable. We are honored to have known him. Our prayers go out to Irene and the entire family. God Bless You All.

“ *I have fond childhood memories of hours spent in the Stadnik home in Dearborn, Michigan. Alberta was my best friend then, and I believe Stefan was her brother. I would appreciate receiving any information about Alberta here.*

My condolences in the passing of Stefan are extended to the entire Stadnik family.
