“ Dear Sikorski Family,

*My sincere condolences go out to your family during this most difficult time. Death has never been an easy process to deal with. The bible calls death our enemy at 1 Corinthians 15:26. But that same scripture tells us that soon death will be brought to nothing. Revelation 21:3,4 tells of the promise of a better life where those faithful servants of God will never again have to experience the suffering and sorrow we do today. We will have the opportunity to be reunited with our loved ones. Jesus spoke of the resurrection at John 5:28,29 and 11:25,26. So draw close to God and he will draw close to you-James 4:8. Throw all of your anxiety upon him for he truly cares for us-1 Peter 5:7. These scriptures have brought great comfort to my family and I during the loss of our loved one. I pray that they do the same for your family. May the God of all comfort give you such comfort and strength needed during this most difficult time.*

*Sincerely,*
