“ *My deepest sympathy to the Bukowski family. Sending healing thoughts and prayers to the family. Steve was a gentle giant. I knew Steve from St Stannies, kindergarten through 12th grade and in the last several years reconnected on Facebook. Gone too young, May he rest in peace. He is in God's hands.*

“ *My deepest condolences to you Georgia and the whole family! We are so sorry for your loss. Steve and I have gone to school together since Kindergarten.*

In High school at St.Stannies, Steve was my vice president on the student counsel of the Class of "72".

We were alter boys since 3rd. grade and commentators in high school. We grew up being active in the school and church with the influence of the Felician Sisters. Choral and choir seem to be one of Steve's passions. Many memories...

Our prayers are with your Family.

“ My deepest condolences to you Georgia and the whole family! We are so sorry for your loss. My strongest memory goes back to working with Georgia at St. Jude where I had the privilege of working with Kathy and Chrissy! Steve would stop in and help with school activities and we would often just talk as classes changed after lunch. I am so grateful to have been able to catch up outside Meijer just a few months back. I wish peace to you Georgia and your whole family! You are in my prayers.

Sincerely,
Paul Champion

“ I would like to extend my condolences to Steve's family. I have know Steve since I was very young. He was good friends with my older brother Jerry (Bubbles), as they were altar boys and shared their love of baseball and the Tigers. I remember Steve to be a stand up guy! Serving many masses with him over the years and over the years calling him my friend. Please know that Steve is in my prayers as well as all of his family.

“ *Been acquainted with Steve since the days at Saint Stanislaus. Our pathes crossed many times as he went to Stannies with my brother John, worked a number of years at the Bank of the Commonwealth/Comerica and sang in the choir with my mother. Most of all during his service to Saint Hyacinth as a member of the Mens Choir. Was just thinking at Christmas how I missed the way his voice along with the Mens Choir would grace our church. Gone too soon. Our condolences and prayers go out to Steve and the Bukowski family.*

Eternal rest grant unto him o lord, and let perpetual light shine upon him.

“ *Steve will always be remembered as a great man, father, husband and brother. To me he was a good friend, great cook and fun to be around. I will never forget our trip to Italy and our discovery of blood orange juice...he thought it was tomato. I also won't forget the bang bang chicken in washington dc so hot and so good. May he be enjoying himself in heaven and watching over his family forever.*
