“ My heart breaks for this loving family I've know since I can remember. Cheryl and I have been childhood friends and even though time passes we will always have a treasured bond. I can remember Mr. D sometimes driving me around the block to go home and our 2 minute conversations about our Girl Scout Cookie Sales. Watching us on our Bowling League on Saturday Afternoons. He may have always had that hard outer look but you could see the softness in his heart and the smile in his eyes before the half cracked smile to the right before his smile was complete. He would tease me about my second car that was a Toyota Rav 4. I almost thought I shouldn't park it in his driveway :) I drove that car for over 17 years. He loved the Rolling Stones!!! I can remember little visits at Sandy and Steve's home when Cheryl would be on college breaks. I know his head just shook left to right as oh, no Tina's here and this house will not be quiet till she leaves.

Always, a proud father of Cheryl, Stevie (Steve) and Kenny (Ken)! Mr. Dzieszowski, I'm sorry I poured the Kielbasa water out on Christmas Day. I had no idea you needed it for the preparation of the Christmas Feast.

I thank you, for dancing the Polka with me, whew you could cut a rug for sure! I almost couldn't keep up with you! XO

Sandy, a true ROCK for Steve, her Children and Grand Children. Her actions louder than words XO. Sandy would car pool all of us to school, one time I felt so awful my thermos full of milk spilled all over her front seat.

Her reaction, simple, how much is milk at school? I said, I think 10 cents.

She game me a dime and smiled and I was all set. I will never have enough encouraging words for all of you.

All I can say, is I'm here now and will be here tomorrow for anything anyone of you need.

Love,
Tina Sill XO
