“ *You have been my friend for 54 years, relative for 50, and I couldn't be any prouder to say that. Although we did not have the same taste in music or food, I respect who you became, what you believed in, and what you left behind. Thank you for the lifetime of memories. I will always think of you dearly.*

“ What an exciting privilege Steve and Linda gave me to be in their wedding. I was a whiny, intrusive young girl and they blessed me. God bless Steve in his heavenly home and his family, who will miss him immensely.
