Tribute Wall

“ Hello,

I'm the dental hygienist who had the pleasure of seeing Mr. Kabor for more than 30 years (I also enjoyed cleaning Diane's teeth). He was always one of my favorite patients and I will miss him very much. Diane was so funny! She was my ONLY patient in all these years who took her own x-rays and brought them with her! Now they are together again! My condolences to their family & friends.
