“ I met Steve in late 2003 while working at AG Davis Gage together. In May of 2006 a position opened up in my department at the Ford Sterling Axle plant so we hired Steve. We worked side by side on all kinds of projects and small jobs. Steve was a hard worker and was very quick to come up with great design ideas that were used in various jobs through the plant. During these 5 years of working 40 hours together we shared alot of stories and life experiences and Steve became a real good friend. On October 6th, 2011 Steve decided to quit working because of his health, this was a really sad day for me to see him leave. I am so glad Steve had this time with Sylvia at home because he mentioned to me how special this time was with her. Steve you were a great friend and I will really miss you. Sylvia I am so sorry for your loss.##imported-begin##Scott Dyer##imported-end##

“ Dearest Sylvia,

Thank you for everything you have done for Steve to make his last days happy and comfortable.

The prayer below says it all:

Home

Lord, you have called home one you truly love, gone now from his earthly dwelling, leaving behind those who mourn.

Grant that as we grieve we may hold memory dear, living in hope of your eternal kingdom where you promise to bring us together again.

Amen
