“ Grandpa K: In looking back, your summer trips to Idaho were some of my fondest memories of our time together. I remember the excitement I shared each time I was able to drive and pick you up from the airport. We would often make our first stop the local Wendy's to grab a burger and catch up. I remember our conversations covered many topics - stories from your time in the service, the importance of family, Detroit sports teams, what it meant to be a man. I have always looked up to you and now will be able to continue looking up at you as you grace us with your presence in heaven. God bless Grandpa, be at peace.

Love,  
Richard

“ As the eldest of "Grandpa's Gang", I am one of many grandchildren. We all loved Grandpa. He was one of a kind in so many ways. He was always decked out in a shirt and hat given or made by one of us grandkids. He would always send us all cards with the simple "GRANDPA" signed in all caps on his cards. He will be so missed. Love you grandpa.

Love,  
Rachel
