

Steven Anthony Barnett

June 2, 1970 - December 4, 2020

Steven Anthony Barnett, of Warren, passed away Friday, December 4, 2020, at the age of 50. He was born June 2, 1970 in Ann Arbor, Michigan. Beloved son of Bob and Barbara (nee Hines) Barnett. Dearest brother of Brenda (Keith) Stewart of Garland, TX; Shelly (Don) Smith of Eureka Springs, AR; and Jason (Kelly) Barnett of Springdale, AR. Loving uncle of Hallie Stewart, Carley (Rob) Ackerman, Sara Smith, Caroline Barnett, and great uncle of Rosalie and Audrey. Dear friend of Robert (Jennifer) Dockery and their son Julian, and Peter Blankenbaker. Steven is predeceased by his grandparents, Malcolm and Mary Barnett, Homer and Lola Hines and survived by many loving aunts, uncles, and cousins.

Steve was a self taught master landscape and garden artist. He was also a prolific poet with hundreds of poems penned. Studied and practiced Kung-Fu for decades. Avid music lover and guitar player. Fan of a well blended top shelf Margarita. Adopted and adored two rescue cats, Sara and Olivia. Absolutely the kind of person you'd want as a dear friend. An incredibly strong man blessed with a genuinely tender spirit. A true patriot and faithful to God. He was our "Monk". Steve is remembered as someone who loved people and would do anything for anyone, asking nothing in return. He never saw faults in anyone, always focusing on the good in them, and loving them for who they were. Steve had a passion for hiking, especially at Isle Royale National Park in Lake Superior, one of his favorite places in the world. He was loved by

many and will be dearly missed.

“ *The tribute posted describes Steve perfectly. He was truly a genuine and gentle spirit. I am proud to have been a friend to such a selfless man. I will miss him at our family gatherings, especially seeing him very heartily enjoy the bountiful meals. Although you left us much too soon, you have earned your wings. And you have certainly left your imprints on our hearts. Rest in heaven, dear Steve. Until we meet again....Momma Doc*
