“ Although I can't be with you at this time, I do want you to know of the sadness that I feel with Sue's passing. She was a gracious and happy lady wth a heart to take in all who needed a friendly word and a warm hand to hold. I will hold dear the memory of her kindness and friendship when I needed it most and offer to all of you the thought that she will be missed by those whose lives she touched.

With my deepest sympathy,

“ Dick & family,
Please accept our deepest sympathy for your loss. The world has also lost a wonderful person, a caring human being. I've never met a woman who was so strong in her resillience to fight and not give up.

I can still remember how much fun we all had on the couples league at Patridge Creek and even though it was a scramble format, the scores were REALLY high when we first all started. You guys helped to make it that way because you were fun to be with and never let the game get to you...

We will forever have some beautiful memories of Sue. Heaven has a new angel now and she will always be watching over you.....
