“ Sue was such a great a lady! I worked with Sue and will treasure my time with her and will truly miss her. She loved her family and was so proud of her grandchildren. I can't believe she's gone. Sue will not be forgotten. My deepest condolences.

“ Sue was my friend and my life was that much richer for having known her for these last 12 years. She was funny and real and told you like it was. She was like a big sister to me and for that I am grateful. I have missed seeing her at work and catching up with her on life. She was so proud of her son's and her granddaughters. May God bless her family and watch over them until they meet her again.

“ My deepest sympathies to the Bradley family. May the warm memories you've shared comfort you at the very sad time and also the promise found at Revelation 21:3,4 which says that soon sickness, death, mourning, and pain will be no more. That will no doubt be a wonderful time to look forward too! May this bring you comfort and hope during this difficult time.
Sincerely, Glenda

Lisa, I am so sorry to hear about Susie's passing. I remember so many fun times growing up and coming over for the holidays with my dad and family. Spending time at Uncle Johns or Grandma's and Aunt Ernie's. It seems like just yesterday I saw her at my dad's funeral. My how times gets away from us and life is taken from those we love oh too soon. Please tell Aunt Mary that I am praying for her. I'm praying for you and your whole family also. I wish I could be there, but you will all be in my thoughts and prayers. Love, Barb
