“ Dear Saputo family,

*Recently in the obituaries I read that your loved one, Susan, passed away. I felt compelled to post a message on your tribute wall after reading that she was 100 yrs old when she passed!! The Bible reminds us at Psalms 90:10, that, " The days of our years are threescore years and ten( 70 years) or even by reason of strength fourscore years (80) years." Your dear mother certainly surpassed that. Even though I never had the pleasure of meeting her, I am sure she was very special and brought joy to all who knew her. Take comfort in knowing that the Bible holds out a promise that you will be reunited with your beloved mother on earth again. Please visit [www.jw.org](http://www.jw.org). This site will provide you with additional comfort and hope.*
