“ *Krissy and Chuck,,,WOW after reading all the wonderful stories of you mother as a teacher I feel so very lucky to have been friends with her since 2nd grade, As i got to know her when she was teaching I knew in my heart that every teacher should be like your mom. Apparently she did fill that roll as so many have said their tributes about her. Your mom did handle everything that hit her with such grace. I will miss her.. we had some good talks...love you Krissy ad Chuckie

“ Kristin and Chuck,  
We are so saddened to hear of your mom's passing. We will never forget the wonderful Christmas dinners that Aunt Susie hosted every year. May Jesus comfort you now and forever. Your mom had a kind soul and was a wonderful teacher, I was having a hard time in math with multiplication and Aunt Susie taught me an easy way to learn them and I have never forgotten that. May she be at peace now. She was one of a kind and will truly be missed.

“ Kristin and Chuck, I know everyone refers to your mom and dad as Ace and Mom Sperrick, but I will always know them as Aunt Susie and Uncle Chuck (even though they are not technically my Aunt and Uncle). I cherish the memories from the many Christmas, Easter, Thanksgiving, and Birthday dinners with our Grandmothers. Your Mom was a generous soul. For some reason, when I was younger and had a car, I would stop over sometimes just to say hi. I think this year on Christmas Day I will cook up a standing rib roast and figure out what a Yorkshire pudding is and how to make it. Start with some Cold Duck champagne and finish with shots of Baileys. We are all better off for having had her in our lives.

“ I had Mrs. Sperrick for 3rd grade at Santilli! I had just moved from Texas to Michigan and she was my absolute favorite teacher! She made me feel so welcome being the new kid! She was sweet, funny, kind and had a gift for teaching. She was the teacher that every child should have at least once in their lifetime! She made learning exciting and enjoyable! Rest in piece Mrs. Sperrick! You will always be remembered! Shelly Latshaw

“ Chuck and the Sperrick Family,  
I am saddened by the news of Mrs. Sperrick's passing and am also saddened by the fact that I never had the opportunity to personally meet such an amazing woman. After reading all the wonderful comments, I quickly realized the immense positive impacts she had on so many lives. I am incredibly sorry for your loss. May she now and forever rest in peace. Much love and many prayers.

“*There are so many reasons why we call her Mother Sperrick from being the closest thing to a Mother many of us had, to being as close to becoming a nun as you can and still get away with all that she did and being everyone loves Raymond's Marie in life. We are all the better for having her in our lives. We love and miss you.*

“ *I'm very sad to hear of Mrs. Sperrick's passing. She was my favorite elementary school teacher and one of my all time favorite teachers. I had a rough fourth grade year, was developing anger issues and frustration with school. Mrs. Sperrick's guidance and teaching brought back my love of school and especially writing. I remember fondly of writing stories and sharing them with my classmates. She was a great teacher, mentor and knew how to bring the best out of me. Thank you so much for everything you did for me Mrs. Sperrick. RIP*
