“ Susan will always be my BFF. For almost 50 years we have been there for all the ups & downs of our lives and been there to support our dreams. Her untimely death leaves a big hole in my heart. Susan, at last you are at peace. I will always love you and miss you so much. Jason, Theresa, and Scott (and families), you gave her so much joy, she bragged about you all the time. Your Mom was a special person. Ken, thank you for loving my friend, and being there for her.##imported-begin##Linnea Gates Williams##imported-end##

“ Sue is so deeply loved by our family. She was like the heart of our family and wore her heart on her sleeve. As I shared in a note to Ken, Sue got me, and I am going to miss her deeply. (I think our family is still in a bit of shock, but we are blessed with loving each other.) I send love to Ken, Teresa, Jason, their families, my family.
