“ My deep condolence to the family. I don't know the words to express my sorrow, so I can only imaging the pain of lost the family is going through. I can't belive Sue is gone.I remember her having this thing about her office things having to be in place at all times, and when it was'nt she was not to happy, Jess and I would always blame Dave, and we would have a good laugh . Dave always said it was not him.. Sue ruled that office. I remember the talkes about the grandkids, she loved them with all her soul. I will remember my friend and miss her. If there is any misspell words its cause Sue is not here to corret them for me. .... Georgie##imported-begin##Georgiana Boelema (Geo)##imported-end##

“ *I am filled with a profound sadness at the loss of my good, good friend. Sue and I have been close friends for 55 years and have communicated daily via e-mail. No story was too silly to share -- and no problem too small to discuss. Although not blood related, she IS my sister. I love her and will miss her daily. My heart goes out to the family who has watched my good, good friend suffer through this disease which has taken her from us. Deb##imported-begin##Deb Humig##imported-end##*
