“ Sue will be greatly missed by myself, staff and the kids of GTC. She would always go out of her way to help in the time of need, sharing yummy treats at the desk & was very excited to share in all of Pams successes. The news of becoming a grandma was something she cherished and I'm sure she's sending kisses down from Heaven! Without a doubt she has left many w/ great memories, and I will miss her endless knowledge of everything! We were blessed to have her in our lives and Alyea wanted her to know that she hasn't stopped chewing " bubbalicious" since the moment she went to Heaven! Blessings to your sweet family- Love, The Rourke's 🙏

“ We are very sorry to hear the news about Sue. She was a favorite of mine at GTC and we spent many hours over the years talking about life, our girls, what was going on at the gym, etc. I know everyone will miss her.

*Pam, we watched you grow up at the gym and your mom was so proud of you. I remember her showing us the cool frame/collage she and your dad gave you when you graduated from the gym. Your mom was one of the nicest people I have known.*

*Our thoughts and prayers are with you all.*

“ We had gotten to know Sue quite well during the last several years that our daughter has been going to GTC. Whenever I walked into the lobby she almost always managed to say "Hi" to me first, before I had a chance. I talked with her the most out of everyone else there. My wife (Margaret) talked with her a lot about each other's holiday parties. Sue and I talked about which Christmas lights at the Village Mall we liked and didn't like (we both didn't care for the trees with the mixed colored lights). Sue talked a lot about the plans she had for her family and grandchild. It tears at our hearts. Though we'd never seen her outside of GTC we considered her a true friend and feel the loss that strongly. These last few days have been so very difficult for the both of us. We'll always think of her, especially when we go to GTC, and when we see those Christmas lights each year.

“ My life is richer for having known Sue Treppa. We met years ago, when we both worked at Adams. Since then, I have been lucky enough to have had her daughter Pamela as a student and her husband Bob as a friend. My memories of Sue will be of her generosity, always giving of herself and her efforts for things and people she cared about. I enjoyed that streak of her personality that did not suffer fools gladly. Sue will be missed; out thoughts and prayers are with Bob, Pam, Juan, and AJ.

“ We were so sorry to hear of Sue's passing and that she never got to see her new grandchild!

*We will always remember our fun times at GTC from 1995 to 2000. Sue was a fun co-worker, friend and co-parent of the level 9 & 10 girl's team! We will especially miss the Snickerdoodles that Sue always managed to bring for the girls & parents on our team trips! She was also a wonderful cook at Adams where both our son, Jason and our daughter, Katie graduated.*

*Bob and Pam, we wish we could be there to grieve with you in person, but we will be there in spirit!!*

*Bob, enjoy that new grandson at every chance that you can! He will help you to get through all this! Grandchildren are the best!!*

*Dear Bob and Pam,  
Sue was such a wonderful, caring, funny person. I worked with her at the school years ago. She taught me so much while I was there. We had plenty of laughs and good times. Pam you were your moms pride and joy. We would talk about you and my daughter all the time. She even let my daughter borrow one of your school dance dresses for Homecoming. Your mom would do anything she could to help someone out. She had the biggest heart. My heart is just breaking for you and your family. I read that she just became a grandma also. She would of been the best! My prayers and condolences are being sent your way since I live in Albuquerque NM now I can not attend her services.*
