“ Mother I have so much to say that I will not be able to put in writing how much I loved you and how much I will miss you. Our house seems empty already everywhere I look the memories surround me and of course they are wonderful memories I will have forever. You were my TV guide, and I believe you could read my mind because always knew what I needed you made me laugh you made me cry and you always listened to whatever I had to say. Thank you for my life and all that you gave to me. God truly blessed me and my family with the most beautiful, loving, caring person in the world who taught us the true meaning of love. I know you will be praying and watching over all of us. Our love is with you in heaven and here on earth. Be sure to hug and kiss Dad for us.

Love always Sandra & Michael###imported-begin##Sandra Sherry##imported-end##

“ Dear Grams,

Oh Grandma Sam, what am I going to do without you?! I was brought up into a great family and it's all because of you! I must say, you found my love of gameshows and I will treasure that. You would always watch the Price Is Right and because of you, I would be sitting on my butt in the summer at 11 a.m. watching it. I'll miss your love of sports. You knew the Tigers better than anyone and I'll miss you ragging on me for not watching them. You always had faith in them. I loved when I would tap Sage in the livingroom and there you were, sitting in your chair. "MATTI! Stop hitting your poor brother!" I'll miss getting yelled at for tapping my brother who is inches taller than me and weighs about 30 pounds heavier. Grandma Sam, I'll miss your smile! Your smile was so cute. Your legacy will live on forever and your love will always be in my heart. Your kind, happy personality is already missed. I'll miss your snazzy little pink glasses. The thing that will sadden me the most is that we won't be having any birthday parties together anymore. When I was younger (age 7ish), I was always like I have to share my birthday. On man! As I grew older, the parties were so much fun and I couldn't ask for a better birthday buddy! Don't worry, I have most of the birthday pictures of me and you hanging in my room or chilling in my purse. Please watch down over all of us if you have time. I know you will be pretty busy up there partying with Grandpa Tony and playing BINGO. I miss you and I love you Grams! God Bless You and I'm thinking about you everyday!

All My Love,

Matti Baltrusaitis :)###imported-begin##Matti Baltrusaitis##imported-end##

“ Michele,

I was saddened to hear of the passing of your Grandmother. I feel lucky to have had the chance to meet her on our first J.U.G.S. Cruise to Jamaica and the Cayman Islands. Right there proves the zest she had for life right up into her "fun years" when she didn't have to be in by the time the street lights came on. I only hope I have the same good fortune to live a long and fun filled life as she did. May the good Lord bless her. Amen.

“ To the entire Adamski family - During this time of sorrow, remember the wonderful life that Grandma Sam had, enjoyed, and gave to others. She taught so many lessons to so many and through those lessons her memory will live on. It will never be the same but know that she will continue to look after all of you sitting at the feet of God our Heavenly Father. To me she will always be the ideal image of a spiritually good person and a wonderful grandmother, the kind of grandmother that I hope I will oneday be, should I be blessed with grandchildren. My family sends their prayers to everyone, but most importantly to Karen, one of my best and dearest friends and her family. May God bless each and everyone of you this week and in the weeks to come and know that our prayers are with all of you.##imported-begin##Valerie Banaszewski##imported-end##

“ I am so sorry to hear of Sylvia's passing. Our family belonged to St. Vincent Ferrer until 1989, and I was a Moms' Club member along with your Mother. I remember her as a happy, friendly person. Please know that I will remember her, as well as all of your family, in my prayers.##imported-begin##Barbara Unger##imported-end##

“ Grandma Sam!

I am both thankful and grateful for having you in my life. Because of you we are blessed for having a wonderfully large and LOVING extended family.

Because of you...I know how to fish, swim and enjoy nature from all the trips you took us on with you and Gramps up north.

Thank you for teaching me to ride a bike, to cook, to dance, for taking care of me, for teaching me to be a strong woman, for taking such good care of Gramps and for teaching me the benefits of loving our Lord! I thank you for all the wonderful ways you have influenced my life...I am forever grateful to you.

I will miss you here...but looking forward to seeing you again.

Love you!

“ My dearest grandma,
I will never be able to write down all the wonderful ways you have influenced my life, but I will try. You have taught us to love unconditionally; you have never judged. You have taught us the true meaning of family; always bringing us together even though some of us live far away. You have taught us to live life; by your zest for life and persistence to be involved in every aspect of our lives. You have taught us to share; by always giving of yourself to us without any thought. You have taught us strength; I know your body was weary but you never complained or gave up on life. I could go on and on but I want to let others also confirm what I know - that you were a wonderful grandmother, mother, wife, aunt, mentor, athlete, bingo partner, Christian, friend and a genuine good person. I thank you for all you have given me and our family. God Bless you Grandma and say hi to Gramps for me!###imported-begin##Michele Baltrusaitis##imported-end##
