“ *Dear Sharon,
Words cannot express how sorry I am that you have lost your Mom. I know how hard it is, but we have to keep hoping that she is in a happier place. It doesn't make sense sometimes the way things work out in life , but that's why we have to treasure each day with family and friends. My thoughts and prayers are with you during this most difficult time. I am really going to miss her, our chats on the phone, she helped me so many times when I was having a bad day and I believe I did the same for her. Our lunches together. With Love and Prayers Auntie Char##imported-begin##Charlotte Haist##imported-end##*
