“ I didn't know Tandy, that much but the last time we talked was day she passed. We talked about going to church together. I told her when ever she was ready. She was one on the sweetest person's I have ever know. She loved her family. She was so sick i felt so bad for her. But now she gets another chance and hopefully a healthier one.

I miss seeing her come an go.(

What a beautiful Lady. she was my neighbor)

Hugs to everyone. We never know when the Lord will take us home.

“ *Knowing someone all your life doesn't make you lifelong friends. Being lifelong friends does. I remember the little red headed girl with pony tails and missing her two front teeth. I was too! There are so many memories all of these years later. I'm glad to have them all. I'll be seeing you, Girlfriend.*

So very sorry for your loss. I knew her and her sisters when they were little. I can still see that pretty little red head flying down the street on her big wheel.
