“ Dear Beth and Family,

I'm very sorry for your loss. Your Mom was always so kind and good hearted. So many times when we were younger and I would stop by and you weren't home, your Mom would always welcome me in and we would sit and talk. Mike said to me earlier today how nice your Mom was every time the two of us would stop by. She didn't care that you weren't there; she would still invite us in and offer us something to eat and drink.

I can still picture her all bundled up in the late fall watching you girls play softball. She was like a fixture at all the events that went on. Never missing anything you and your family did. It was so wonderful to see her at your birthday party a couple years back.

Please know that my entire family is thinking of you during this difficult time.
