“ I had not seen Tanisha in a very long time, but I followed her on Facebook and loved seeing her enjoy life so much. I saw this picture of her on Facebook just 3 days before her passing and we exchanged pleasantries at that time. It was very simple but I felt her exuberance thru this simple exchange. I said, “Hey pretty cousin” and she responded simply “Hey there”. The world will be a little less cheerful without her in it. Love to family and friends. Cousin Joan Turner
