“ Tara brought so many happy moments in my life and left me with a treasure trove of memories. My prayers and meditations goes out to Tara and her family. And while it's going to be very difficult to think of this world without her, it is a comforting thought knowing that wherever she is, Tara is at peace. We may not be able to see her, she is with each and every one of us.

Tara,
Dear-Heart, miss you each and everyday. Even through tensed moments, you gave me so much joy. I will hold each moment and adventure close to my heart. As I close my eyes, I can see your smile and hear your laughter. In my heart I know that you are okay. And If you ever need anything, just call. I love you.

With all that I am,

Tara was a part of a tight knit group of friends - a second family so to speak. Her laughter, insights, poems, smile will all be sorely missed. She had many here in Va who thought of her as a friend or daughter or sister - it is hard to imagine life without that sweet spirit in it but I have a feeling that she is never far.

To her mother thank you SO much for having a viewing here to allow her friends and co workers to say farewell. I feel so blessed to have known Tara -- thank you Jackie for the gift that was her life.....
